K1113

Quarter-turn locks long version

Item description/product images

Description

Material:
Housing and actuator die-cast zinc.
Tongue steel.

Version:
Housing and actuator trivalent passivated.
Tongue electro zinc-plated.

Note:
Rating IP65. This is achieved using an additional O-ring underneath the actuator and a flat seal attached to the housing. The quarter-turn lock can be installed pre-assembled. Please order the required tongue separately. Every tongue can be combined with this housing.

Accessory:
Key K0535

Drawing reference:
Actuation:
a) square 8 mm
b) slot
c) double lug 3 mm
