

Latches with Pull Bar, Style A

Item description/product images

METRIC Parts

Description

Material:

Steel or stainless steel 1.4301 (AISI 304 equivalent).

Version:

Steel trivalent blue passivated.

Stainless steel bright.

Note:

Latches with draw bail for securing and locking hatches, container lids, machine cladding etc. By exceeding the dead center they resist vibration.

The fastening force is applied by drawing on the bail.

The hole D2 can be used to secure against unintentional opening or attaching an official lead seal.

The latches can be screwed down or riveted.

Order catch plates separately.

The retaining force F1 applies to the latch, not the catch plate.
