

## Swivel feet plates, plastic, style C

### Item description/product images

### Description

**Material:**

Plates, thermoplastic, fiberglass reinforced.

**Version:**

black.

**Order information:**

If the swivel foot plate and the threaded spindle or ball joint are to be supplied assembled, please add the suffix "assembled" to the order number for the plate and the spindle or ball joint.

(e.g. K0415.1030 and K0421.060151 "assembled".)

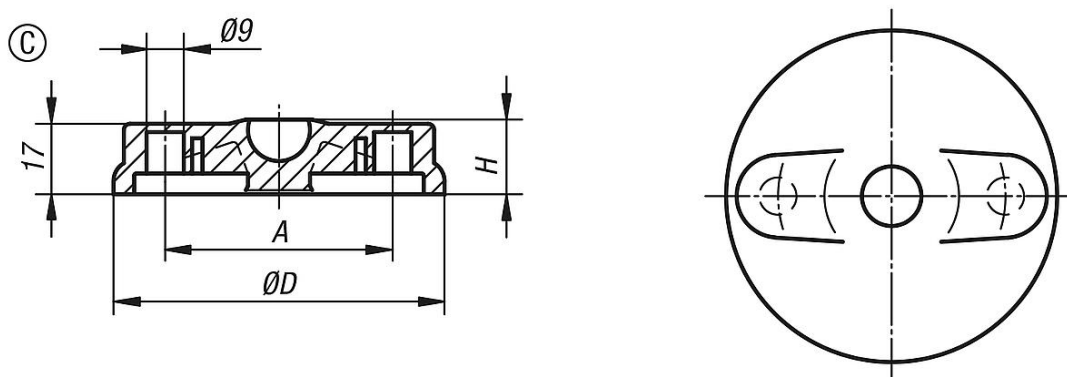

**Note:**

Swivel feet consist of a plate and a threaded spindle or ball joint. Any plate can be combined with any threaded spindle or ball joint.

For matching threaded spindles see K0421.

For matching ball joints see K0422.
